Programs

ENGLISH CLASSES

Native English and ESL teachers from Kielo International School and local textbook authors have come together to create a unique curriculum and learning materials specifically for English language camps in Helsinki.

40 – minute lessons will focus on Listening skill, Communication skill, Presentation skill, and Grammer.

Groupwork gives the opportunity to improve speaking and teamwork skills. Mixed nationality group work also gives students the opportunity to meet others from around the world.

ACTIVITIES

Different activities and excursions every day will make the summer a memorable one: Picnic, sports, berry-picking, hiking, padding, city tour, bubble ball soccer, planting.

Life-hack and survival skills will be taught during every activity

CRUISE TRIPS

Students will spend 2 days discovering the modern and classical influences that make Tallinn and Stockholm two of the most striking cities of the region. They will have the opportunity to discover 2 other countries other than Finland and experience different cultures.

Orientation Party + Activities

Team building games and exercises, detailed information about the camps, rule, and regulations, getting to know each other.

Football & Mini-golf Tournament

All students can choose to participate in American - or the lest of the world - football or Mini-golf tournament. A trophy will go to the winners.

Visiting Universities Around Southern Finland

Universities in Finland are amazing. The libraries, museums and international student centers are all on the tour.

Swimming

It's summer, it's swimming time. If you come during the winter, we will cut a hole in the ice for you to jump into after sauna - it's healthy for you!

Sweden (Cruise Trip/City Tour)

Overnight trip in one of the world's largest cruise ships to one of the world's most modern capitol Touring the beautiful city of Stockholm

Helsinki Tour (City Center)
